

IF YOU are looking

Description:

IF YOU are looking for work in sales you have probable had the same experience as many sales persons out there. Working for two bit companies with high staff turnover, aggressive, rude, unreachable targets that sound great but not practical or you haven't been paid. Call us, we have a great product, great commissions and we are looking for talented salesmen that want to build a career over a number of years within a real company. We say who we are and how we work and can offer you a breath of fresh air. Call 677782707 for an interview
