

Club La Costa, a successful

Description:

Club La Costa, a successful multinational leisure and hospitality company, is looking for a:

Club Operations Systems Officer
(Bilingual English/Spanish)

Reporting to the Club Operations Director, the role involves supporting and developing software systems and the reporting functionality for the department.

Candidates will need experience in manipulating relational databases, a detailed knowledge of SQL server, analyzer and reporting services, and the ability to create, understand and debug complex SQL queries.

Previous experience with the software *TimeShareware*, *Tarsca* and *Microsoft Office* would be an advantage and knowledge of Crystal reporting is also very important.

Key to success will be maintaining corporate ICT protocols and high level communications with the ICT department.

The role will also interface with other directors, management and staff, calling for good communication and interpersonal skills and an organised, logical approach gained in a fast paced environment within a large, complex organisation.

Club La Costa's employment conditions and career prospects are excellent.

To apply, call BEATRIZ ZAMBRUNO on 952 66 98 61 or e-mail your CV quoting
